WELCOME

Nehru College of Educational and Charitable Trust was established way back in 1968 by the founder Chairman late P. K. Das, an eminent Chartered Engineer, a renowned Academician, a great Industrialist and a well known Philanthropist with the focused objective of imparting world class value added practical education in aviation and other fields of technology. The Trust, started originally for promoting a College of Aeronautics, diversified later on and established a cluster of Educational Institutions both in Tamil Nadu and Kerala. The Group of Institutions are now offering School Education, Diploma, U.G, P.G and Research Programmes in Aeronautics, Arts & Science, Commerce, Management, Computer Science, Engineering, Medical, Pharmacy, Nursing, Catering & Hotel Management, Costume Design & Fashion, Biotechnology, Microbiology, Electronics, Visual Communication, Architecture and Law in addition to Degrees in Aeronautical and other fields of technology and have evolved into one of the biggest and reputed conglomeration of educational institutions, popularly called “Nehru Group of Institutions”.

WHY TO CHOOSE NGI?

10+
CAMPUSES

20000+
STUDENTS

2500+
STAFF

100000+
ALUMNI

- Celebrating 50+ years of educational service.
- More than 250 university ranks since 2015 onwards.
- Total built up area of more than 35 lakhs sq.ft.
- Highly disciplined campus with Air Conditioned class rooms
- Encompassing in it 20+ reputed institutions and a 1250 bed Super speciality Medical College & Hospital.
- Institutes are accredited by MCI, AICTE, DGCA, NBA, NAAC "A" Grade, PCI, COA, NCI, BAR Council of India and ISO certified agency.
- MOUs with National & International Universities, IATA, AMADEUS, EASA and SAP Training Centre.
- Library retains wide collection of national and international journals, magazines and more than 3 lakhs volume of books.
- NOBLE (Nehru Outbound for Leadership and Excellence) for outbound training programme.
- FDP (Faculty development programme) to refine skills & technologies of our faculty members in every semester.
- We recognize School and College level pedagogues every year through BTA (Best Teacher Award) & BFA (Best Faculty Award)
- NCP & IR (Nehru Corporate Placements & Industry Relations) provides placement and training.
- We have an enviable track record of placement.
- Earn while you Learn scheme for PG students.
- Cash awards and gold coins for university rank holders.
- 100 mbps dedicated optical fiber for internet and WiFi campuses with more than 5000 nodes of computers with high end servers.
- More than 150 buses for commutation of students (Tamil Nadu & Kerala).
- A/c & Non A/c hostel accommodation for more than 5000 students.
- Wide varieties of delicious regional food.
- Sufficiently energized generator backup for entire campuses.
- Modern sports complex for Volley Ball, Football, Basket Ball, Synthetic Shuttle court, Rifle Club, Table Tennis, Health Club and Yoga Centre.
- Featuring the Oldest Aeronautical campus in South India.
- Aeronautical campus is value added with King Air C90, Beach Aircraft, Learjet 25B, Cessna 150 & 152, Hawker 125, Ercoupe, Bell and Enstrom F28 Helicopters and 1 lakhs sq.ft of Aeronautical Lab.
- 4 Crores funded projects through Research and Consultancy.
- 15 Crores funds from Department of Science and Technology, Government of India, New Delhi. NGI TBI (Technology Business Incubator) in Health care and Internet of Things domain.
- Moulding Business Leaders through NGI TBI
- Coaching Centre for GATE, JRF, UPSC – Civil Services & IES Examinations.
- Our students participate in All India Level Hackathon competitions every year.
- Inter State cultural activities to know more about each other's performing arts and culture, catalyzing the emotional and cultural integration of the country.

NGI's Few Recruiters

As a part of NGI mission to promote lifelong learning, NCP&IR extends the resources of NGI through professional development and personal enrichment opportunities. Its wide areas of skill sets offered address the need of the individual learners' personal and professional growth. The training programs are aimed at enhancing the employability skill set of the student, in which every graduate must hone their Leadership, Communication, Time Management, Problem Solving and Interpersonal skills. The programs offered to Graduates and Post Graduates are continuously monitored and revised to incorporate latest methodologies, technologies, theories and practices.

NCP&IR believes in 3C's, which are to CREATE skilled, eligible and employable students. This is not just done by NCP&IR, every student is provided with strong emphasis on academics who COLLABORATE on essential skills like mathematics, science, technical & technological thus creating a COMPENSATE between learnt and acquired skill, which forms the basis of recruitment. Nehru Corporate Placement and Industry Relations [NCP&IR] – Is a vibrant, supportive and collaborative workplace with a great team that works hard and has fun doing meaningful work. The team immensely enjoys their part in contributing to student's career of their choice

LEARNING INSTRUCTION MODEL

AVIATION

A.M.E.

(Approved by DGCA, Govt. of India, New Delhi)

(Aircraft Maintenance Engineering) - 2 ½ yrs.

- B 1.1 Mechanical Stream
(for Turbine-engined Aeroplanes)
- B 2 Avionics Stream (common for all Aeroplanes)

Additional B.B.A

(Airline and Airport Management)
from Bharathiar University.

A.E.T. (Lincoln University College, Malaysia)

(Diploma in Aeronautical Engineering Technology - Aircraft Maintenance) - 3 yrs.

Along with EASA international
AME Licence Examination
Additional BBA (Airline and Airport Management)
from Bharathiar University.

B.SC.(Alagappa University)

- **Aeronautical Science** - 3 yrs.
- **Aircraft Maintenance Science** - 3 yrs.

B.B.A. (Alagappa University)

Airline and Airport Management - 3 yrs.

M.B.A. (Alagappa University)

Airline and Airport Management - 2 yrs.

A.M.E. (2 years) with 288 Hrs of practical Training
at Air India Engg Services Ltd., Trivandrum.

IATA Courses

- Diploma in Travel & Tourism Foundation
- Airline Customer Service

AMADEUS Courses

Training Program for online Reservation & Ticketing

These Institutions also take up the pride of being recognized by the Directorate General of Civil Aviation for the Aircraft Maintenance Engineering programme. This is the first institute in South India that is approved by the DGCA for conducting the AME programme. In recognition of its proven capabilities, the EASA (European Aviation Safety Agency) has approved our Coimbatore campus as the exam centre. The A.M.E. and A.E.T. students get hands on experience of practical exposure with AIR INDIA & AIRWORKS. The Maintenance Repair Organizations (MROs) will give opportunity to work on Boeing.

NCA&S has gained prominence by rendering more than 52 years of dedicated and valuable services in moulding, shaping and perfecting the students in aviation and other technical fields of study. The college has aircrafts such as Hawker N151SG, Bell Helicopter, Beechcraft, Cessna N4191U, Trainer Aircraft HT – 2, Kingair C – 90, Enstrom Helicopter, etc. which will give live exposure for practical purpose. The hi-tech labs and workshops, equipped with the state-of-the-art facilities, updated year after year to impart the most modern practical training to the students.

ARCHITECTURE

BACHELOR OF ARCHITECTURE - 5 yrs

Architecture is primarily the design of the built environment, but at its heart it is a potent mix of art, science, technology, social sciences, history, anthropology, theory, business, and poetry. At NSA & NCA we will strive to create well-rounded professionals who will be future design leaders. The rigorous design training that our students are exposed to, will help them to tackle complex design issues in real life. The architecture education that we impart here will provide students a springboard to diversify into allied professions like interior design, project management, art direction, product design and planning. Our accomplished faculty possesses a wealth of experience in academics and the profession. They have an eclectic range of backgrounds, interests, and experiences. Thus learning to design will be exciting and stimulating. An education here with us will open the doors for challenging professional opportunities. Now it is the time to choose B.Arch. as a career option.

MEDICAL COLLEGE | SUPER SPECIALITY HOSPITAL | GENERAL HOSPITAL

PK DAS Institute of Medical Sciences (PKDIMS) has made a significant influence in Healthcare Delivery, Education and Medical Research in last 12 years and established its name in the Healthcare Industry. The organization always hold on to the motto as lead by example and its vision accentuated to be as leaders of tomorrow in Healthcare Industry.

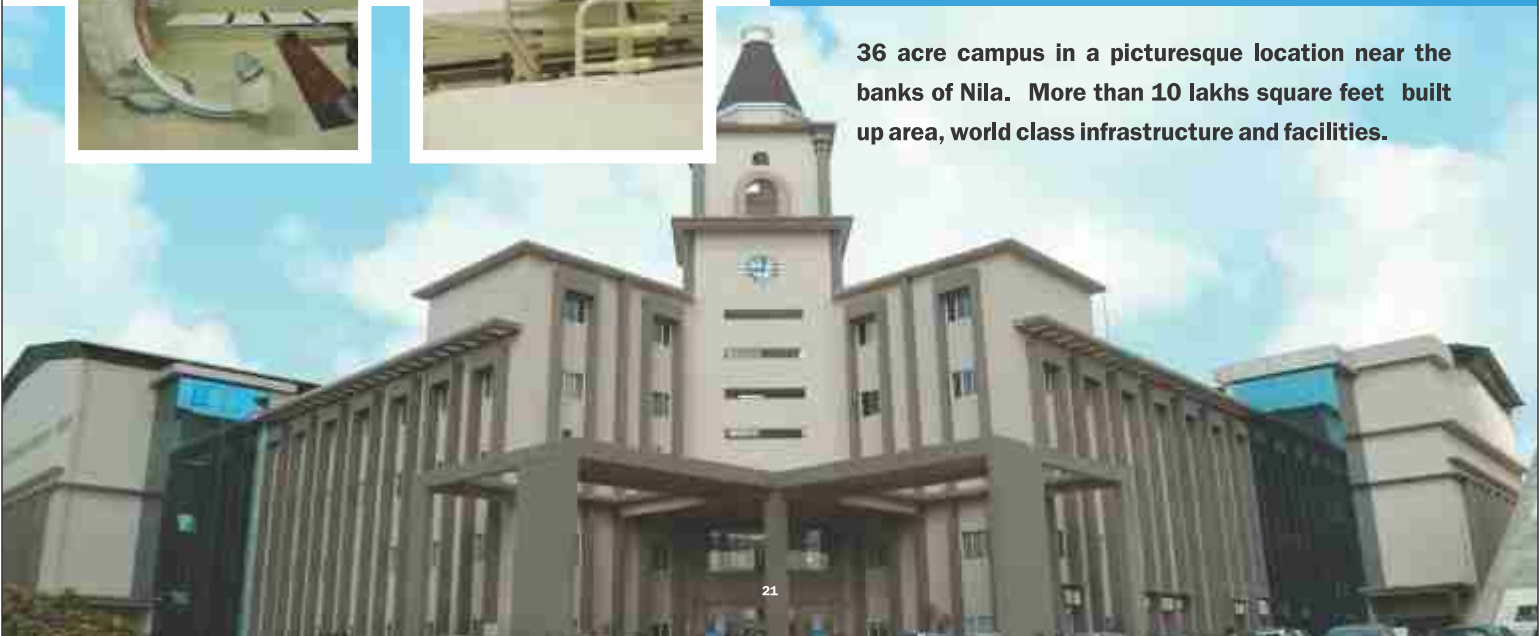

PKDIMS started its healthcare operations from a small village in Palakkad district, Vaniyankulam as a 650-bed facility. Later on the hospital increased its strength in various areas of healthcare delivery and became a leading medical college with 1250 beds and spreads its wings to various other underdeveloped areas of the district through outreach clinics. These 12 years of silver lining journey was involved a consistent evaluation of at most patient care and continued a high-quality standard of its operation. In the world of Artificial Intelligence and fully equipped OT's, PKDIMS aims to match its benchmarks with the competing Organizations.

Education Empowers – we conceived Great Mahatma's words and always strived to Moulding True Citizens by empowering them with an enhanced human value. India has a huge dearth of doctors – 6,00,000 is the deficiency as per WHO parameters in doctor population ratio. The same is true regarding nurses and other paramedical staff too. We are happy that we have become providers to the depleting pipeline of medical professionals through PKDIMS Medical College, College of Nursing and College of Pharmacy. In a radically changing Healthcare Delivery and Education scenario, PKDIMS has stimulated to meet NABH standards and aims to be the First JCI accredited Medical College in Kerala.

PKDIMS has an outstanding team of healthcare professional comprising nationally and internationally trained Doctors who are expertise in their specialities and ACLS/BLS certified nurses, dieticians, rehabilitation therapists and qualified technicians.

The entire crew is capable of handling the most complex case, they provide optimal and evidence-based treatment to patients, with an international quality standard. We provide world-class quality standards treatment and care at the least possible cost, this makes PKDIMS stand out from other healthcare organisations.

36 acre campus in a picturesque location near the banks of Nila. More than 10 lakhs square feet built up area, world class infrastructure and facilities.

BBA LL.B (HONS) (5 YEARS)

Nehru B - schools are daringly different and unique from the rest and

it is ranked among the leading B-Schools in national level grading service. To strengthen the Industry Institute Interface Nehru B -schools have tie-ups/MOUs with many Government and Corporate institutions for Entrepreneurship Development, Training and Consultancy Projects which provide ample opportunities for our students to gain valuable industry and field exposure. The platforms give opportunities for students to experience professional work in the limelight. Faculty team with a wealth of industrial and commercial experience provides necessary skills to students in solving business problems in real life situation. The strong commercial orientation and academic rigor of the program means that the students are shaped to seek a wide range of business related careers both in the public and private sector. Further they can go for careers in Euro bond trading, Project Management, Consultancy, Teaching, Advertisement or, thinking beyond jobs to become entrepreneurs.

OUTBOUND TO UNLEARN AND LEARN

NOBLE is the Institution from Nehru College of Educational and Charitable Trust. The need for an exclusive outbound training facility has long been felt and here we are with the “Mother of OBT” in India, for it’s the Nehru Group’s initiative to “Think Big & Deliver Big”. Spread over two acres. We take extreme pride in inviting you to one of the India’s Best Outbound Training Facility located at Coimbatore which offers you Residential Programmes consisting of more than 100 activities where you challenge yourself and reinvent yourself.

In Today’s world, qualities like leadership, being self-driven, decisiveness and team spirit have taken on an unprecedented importance. These are all the traits that make one stand apart and make individuals and corporates to stand ahead from the mass.

PK DAS KNOWLEDGE FORT

The PK Das Knowledge Fort (Central Library) has developed an excellent collection of books, journals and non-book materials in Science, Engineering, Technology, Humanities and Management. It maintains separate collections of reference books, standards, and back volumes of journals, technical reports and compact discs. The library is using Auto Lib OPAC (Online Public Access Catalogue) and the users can search the Library Online Catalogue by author’s name, title, subject, and keywords available on the campus LAN. The library is built on an area of 30,000 Sq.ft. The total collection of library stands for 28316 volumes and 198 National and International Journals and Magazine

It started its functioning with a vision to serve the information needs of its users and to promote a continuous learning atmosphere with holding various Text Books, Reference Books, eBooks, Journals, Magazines, e-Journals, Subject PPT’s, Subject Animations, Project Reports, Tutorials and NPTEL Video Lessons related to engineering and allied subjects. Central Library provides abundant information and intellectual requirements to the students and faculty with a user friendly approach. It offers a fully integrated and peaceful environment for conducting academic study.

The library books can be easily accessed through the use of Online Public Access Catalogue (OPAC) and is fully automated with the Integrated Library Management Software
