**INTERNAL QUALITY ASSURANCE CELL  
COMPOSITION  
2020-2021**

## **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

The college has constituted an Internal Quality Assurance Cell (IQAC) to monitor the internal quality. The IQAC has assumed a proactive role in enhancing the quality of the academic activities of the college in keeping with its vision.

### **IQAC Objectives**

1. To develop a system for the continuous improvement of the academic and administrative performance of the institution.
2. To enhance the quality of education standards through internalization of quality culture, national and global dimensions of best practices.
3. To inculcate values in students.

### **As Members of IQAC:**

The faculty members from both departments who are appointed as members of IQAC play a very important role both in the development and implementation of quality policies. These members help in establishing an effective two-way communication channel between the IQAC and the College faculty.

### **As Coordinator of IQAC:**

One of the faculty members acts as the coordinator of IQAC and helps in disseminating quality policies and distributing documents and templates, which help both the teaching and nonteaching staff members in adhering to the standards laid down by the IQAC.

### **Functions**

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- b) Facilitating the creation of a learner-centric environment conducive to quality education

and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;

- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of evaluation procedures;
- f) Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- g) Dissemination of information on various quality parameters of higher education;
- h) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- i) Documentation of the various programmes/activities leading to quality improvement;
- j) Development and application of innovative practices in various programs/activities leading to quality enhancement;
- k) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- l) Sharing of research findings and networking with other institutions in India and abroad.

### **Benefits**

- a) Ensure higher level functioning of the college towards quality enhancement;
- b) Ensure internalization of the quality culture;
- c) Build an organized methodology of documentation and internal communication.
- d) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- e) Provide a sound basis for decision-making to improve institutional functioning;
